

Privacy Policy

This Privacy Policy was last updated in May 2020

AWINSA Life Sciences Pvt Ltd. cares about your privacy and is committed to protecting and respecting your privacy and personal information. This page explains our privacy policy and how we will use and protect any information about you that we may collect from you or which you may submit to or through www.awinsals.com.

Please read the following carefully to understand our views and practices regarding your Personal Information and how we will treat it.

This Privacy Statement applies only to Personal Information collected on the Website and does not apply to Personal Information collected on any third party site that may link to or be accessible to the Website over which we have no influence or control.

Collecting Your Personal Information Directly from You

You can visit the Website without revealing who you are and without disclosing any of Your Personal Information. However, you may be required to share your information with us when you apply for job, register for newsletter, or any services for which personal data is required.

Information details:

- Information that you provide by filling in forms on the Website, such as personal details (e.g., including but not limited to your name, date of birth, etc.) or contact details (e.g., telephone number, email address, postal address, etc).
- If you submit any personal information relating to another individual to us, you represent that you have the authority to do so and to permit us to use the information in accordance with this Privacy Policy.

- With respect to the use of the careers section of this Website, Information you have provided as part of the job application and onboarding process (such as application materials, offer letter, etc.).
- If you contact us, in writing, by email or other electronic means, we may keep a record of that correspondence.
- Details of your visits to the Website and information as you navigate through the Website together with details of the resources that you access. This information includes but is not limited to: usage details, IP addresses, location data and other communication data.

No information will be collected without your consent, as the information can be sensitive Personal Information (such as information about Your ethnicity or health information).

Information from other sources

AWINSA may also collect personal Information from third parties, such as digital ad agencies, lists from acquired companies, events and conferences, and purchased lists.

From time to time, we may embed external content or links from third-party websites (e.g. Facebook, Twitter, YouTube) within our website. These websites may utilize cookies and the privacy policy that will apply to such third-party content will be published on the website of that third-party content provider. Whilst we may provide these links for your convenience, we do not review or monitor the privacy policies or terms and conditions of any external websites and your use of those other external websites is subject to the terms and conditions and privacy policies of those sites.

We may enhance or merge your Personal Information with data obtained from third parties for the same purposes for which we use Your Personal Information that you personally volunteer.

How We Will Use Your Personal Information

- We may analyze your personal Information to better understand your needs and how AWINSA can improve. For instance, we may use your information to ensure that content from the Website is presented in the most effective manner for you.
- We may use your Personal Information to respond to subsequent requests You may make of us.
- We may use the information for data analysis, for example, to improve the efficiency of the Service; for audits, to verify that our internal processes function as intended and are compliant with legal, regulatory, or contractual requirements; for fraud and security monitoring purposes (to detect and prevent cyberattacks or attempts to commit identity theft; for developing new products and services). If You do not want Us to use Your Personal Information in this way, please contact Us at the details below.

Cookies

The Website uses cookies to distinguish you from other users of the Website. A cookie is a small file

which is placed on a computer's hard drive, or in the browser memory, to make a website work, or work more efficiently for returning visitors. This statistical data is used for administration purposes only and stores no personal data. The data is used to improve our site by viewing our users' browsing actions and patterns.

You have the ability to accept or decline cookies by modifying the settings in your browser. However, our website may not function correctly if cookies are disabled.

Your rights

You have the right to ask us for details of and access to any information that we hold about you. On request we will provide you with a copy of the held information and you can correct any information that we hold on you if so required.

Website updates

We may update this Privacy Statement from time to time. When we do update it same shall be uploaded on the AWINSA website for your reference. Changes and additions to the Privacy Statement are effective from the date on which they are posted. Please review the Privacy Statement from time to time to check whether we have made any changes to the way in which we use your Personal Information.

We encourage you to contact us to update or correct your Personal Information if it changes or if the personal information, we hold about you is inaccurate.

Please note that we may require additional information from you in order to honour your requests.

Please note that should you request that your Personal Information be deleted, you may continue to receive updates for a short period while We are updating our lists. Your records will then be permanently deleted from Our systems.
